MEMORANDUM FOR

Mr. Theodore L. Eliot
Executive Secretary
Department of State

SUBJECT: Request for State Department Position on Cease-fire in Vietnam

The Assistant to the President for National Security Affairs would appreciate the Department's views on the subject of cease-fire in Vietnam, in order to provide it to the President by the close of business November 25, 1969.

It is recognized that considerable work has already been done on this subject. Rather than burden the President with the detailed results of these studies, a summary of the Department's position, included recommended actions and the important considerations involved is requested.
